

## Mystery Quilt Part 7: Center Unit

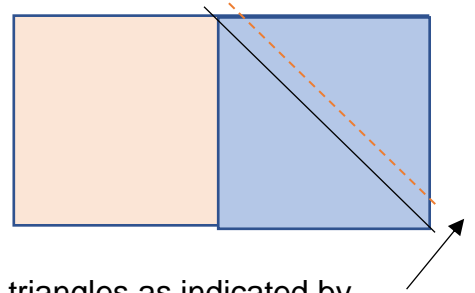

Background Fabric Cut two 6 ½" x 12 ½" rectangles Cut four 2 ½" x 4 ½" rectangles	Main Fabric Cut four 6 ½" x 6 ½" squares
---	---

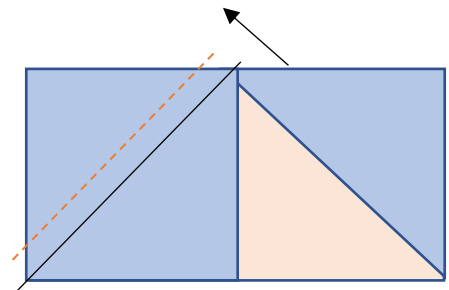

You will also need the four 2 ½" half square triangles that have the **seams pressed toward the main fabric** from Part 2, the center square from Part 1, and the two remaining wild goose chase variation blocks from Part 5.

### Jumbo Flying Geese

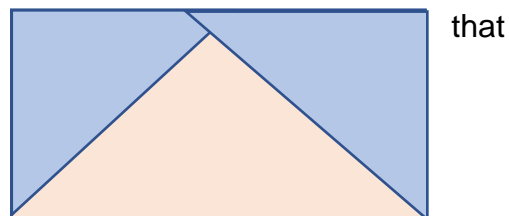

- Mark a line on the center diagonal of the 6 ½" square of main fabric (black line in illustration)
- Place a marked square on a 6 ½" x 12 ½" rectangle of background fabric, right sides together, as shown in illustration.
- Sew just a needle thickness to the right side of your marked line (this allows for the thickness of the folded seam).
- Trim ¼ away from your sewn line, cutting off the corner triangles as indicated by the red dashed line in the illustration.
- Press seam toward the triangle.

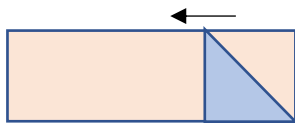

- Place a second marked square on the other end of the 6 ½" x 12 ½" rectangle of background fabric, right sides together, as shown in illustration.
- Sew just a needle thickness to the left side of your marked line (this allows for the thickness of the folded seam).
- Trim ¼ away from your sewn line, cutting off the corner triangles as indicated by the red dashed line in the illustration.
- Press seam toward the triangle.

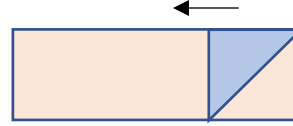

Make 2 Jumbo flying geese units  
measure 6 ½" x 12 ½"

Sew a 2 ½" x 4 ½" rectangle to each 2 ½" Half Square Triangle as shown. Be careful with the direction you place the main fabric triangle. Press seams toward the rectangle. Units will measure 2 ½" x 6 ½"

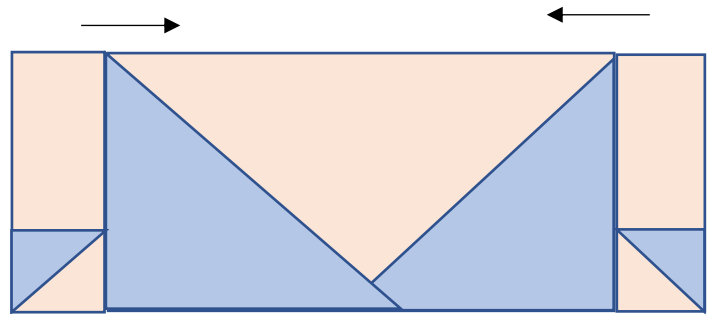

Make 2

Make 2

Sew a rectangle unit to each side of the jumbo flying geese, lining up the triangles as show in the illustration. This should measure 6 ½" x 16 ½"

Make 2

Lay out center row as shown below. Sew. Press seams as indicated by arrows.
